"KREMLIN'S CONSPIRACY IN INDIA AGAINST PORTUGAL"

- Madras,India:Visiting India, comrade L.I. Brezhnev,
President of Soviet Union told thousands of Indian,
that Soviet Union is behind recent India's attack
against Portugal.

Comrade Brezhnev stated; that Indian people "saw very
clearly who is their friend and best friend, during
the India's attack on Portuguese Goa Diu and Damac.
He stated; that an attack against Portugal is a
tremendous blow to capitalism and colonialism, and he
believes that "socialistic victory" is near, and
capitalism must capitulate or is going to be annihilated
from the face of the earth.

(So, this is the statement of the Soviet and international
Communist conspiracy. Kremlin's conspirator is going
to visit several cities and provinces of India with
strong anti- American propaganda,- while the United
States "sources of propaganda" have no civil courage
to defend United States friends, as conspirator of
Kremlin is doing in India).
